

'Pick your own' Map

What could be more lovely than the sun on your face and rich earth beneath your feet out in a meadow of flowers or in the middle of a strawberry patch? Pick as many as you can carry home to make cordial and jam or put in the freezer for winter. Let your creativity flourish as you carefully choose flowers for your Friday bouquet. Here are some of our "Pick you own" favourites for those of you who really want to embrace the short distance between garden and table here in Skåne.
